Challenges of Policing Democracies A World Perspective

Policing the Police: How does society hold its police to account? It's a vital part of upholding law and liberty but understanding how to do it well is crucial. Leading criminology professor Michael Rowe, part of the ‘Key Themes in Policing’ series, explores issues of governance, accountability and the relationship between police and the public. Drawing on first-hand experiences from six democracies, the authors describe how frequently disagreements arise over the allocation of police resources, as well as the effectiveness and fairness of policing practices. The book offers a much-needed analysis of police abuse and its implications for our democracies. It is not an exception or a stage of democratization. It is, this volume argues, a structural and conceptual dimension of policing in democracies.

Democratization in the Arab World: Laurel E. Miller 2012-07-18 Daunting challenges lie ahead for Arab countries where revolutions have upended longstanding authoritarian regimes. This monograph aims to help policymakers understand the challenges ahead, form well-founded expectations, shape diplomatic approaches, and take practical steps to foster positive change.

Policing Democracy: Mark Ungar 2020-03-03 Finally, Policing Democracy probes democratic politics, power relations, and regional disparities of security and reform to establish a framework for understanding the crisis and moving beyond it.
